Profile

Enthusiastic and motivated Computer Science student with a strong foundation in front-end web development . Passionate about creating responsive, user-friendly web applications and eager to apply technical knowledge in real-world projects. Experienced in HTML, CSS, JavaScript, and modern frameworks, like ReactJS with a keen interest in backend technologies such as Django and Flask. Seeking an internship opportunity as a Full Stack Software Engineer to contribute to a collaborative team, gain hands-on experience, and continue growing as a developer.
